Re: Letter of Reference for Light & Line Productions

Atlantic Industries Limited hired Joe Tompai of Light & Line Productions to produce a marketing DVD showing the installation and concepts behind our Atlantic Wire Wall System.

Joe Tompai was very professional in his undertaking, meeting deadlines and budget requirements. He was extremely flexible and the quality of his work was very good. He was instrumental in moving the project thru to completion.

Atlantic Industries Limited is overall very pleased with the final product that we have received and have recently hired the services of Light & Line Productions again to undertake additional marketing photography.

I recommend using Light & Line Productions for your photography and video needs.

Should you have any questions please do not hesitate to contact me at (250) 546-9479.

Regards,
